Bachelor of Applied Information Technology

Personal Statement

I have recently completed my Bachelor of Applied Information Technology. I am a passionate and enthusiastic person who is very interested in web technologies and design. I am also fluent in Spanish and English. I enjoy challenging environments and strive to complete all tasks thoroughly.

Technical Skills

- HTML
- CSS/Bootstrap/Sass
- Jquery
- JavaScript
- Git/Github
- PHP/Laravel/MySQL
- Rest APIs/GraphQL
- Node.js/Express/MongoDB
- C#/ASP.NET/SQL
- Adobe Suite - Photoshop, Illustrator, In Design, Adobe XD
- Figma
- Postman

Key Personal Skills

- **Communication -** As a freelancer and graphic designer, communication is essential to create the vision that the client desires.
- **Problem-solving -** With my school projects, I have analyzed many issues that have arisen and have implemented the appropriate solution.
- **Teamwork -** I am a great team player. Working in Heartland Bank requires that everyone puts in as much effort as one another to ensure that we meet the clients demands.
- **Fast Learner -** I have learned many programming languages for school within a short time frame to implement school projects.
